

## Shipping

### I live in Australia. Will I owe any duties or taxes at time of delivery?

All orders less than \$1000 AUD are exempt from VAT **taxes** and import duties. And therefore will not be charged to your order during checkout. If your order value is greater than \$1000 AUD, then we will contact you by email and let you know what the VAT **tax** and import duties on your order will be AFTER you place your order online. With your approval, we will then add the additional fees to your order before shipping it.

We will not ship your order if it is greater than \$1000 AUD without this additional charge.
