

# Returns

## I live in the continental United States. How do I print a return label?

You may visit [www.costumepartyreturns.com](http://www.costumepartyreturns.com) to print out a FedEx return label within 30 days from the time you receive your order. We will not be able to accept orders that have not been posted back to us after 30 days of you receiving the merchandise.

A \$7.99 fee will be deducted from the refund credited back to you for the use of the label.

**Please visit the [Returns and Exchanges - Continental U.S.](#) for details.**

Unique solution ID: #1018
